## 2017 – 2018 SCHOLARSHIP APPLICATION

### STEP 1: SCHOOL ELIGIBILITY

Before applying for an Oklahoma Private School Opportunity Scholarship, a student must be accepted at a qualifying private school, and that school must be a participant of the Oklahoma Islamic School Foundation. Check with your school. If the school your child attends is an OISF participant, go to Step 2.

### STEP 2: STUDENT ELIGIBILITY

1. The student must be a legal resident of the United States, live in Oklahoma, and have been accepted by an accredited Oklahoma private school for the 2017-18 school year.
2. The student must meet ONE of the following three criteria: Live in a family within the Adjusted Gross Income guidelines; OR attend, or live in the attendance zone, of a public school designated as “in need of improvement” by the State Board of Education; OR attended an Oklahoma public school with an individualized education program (IEP).
3. If the student is eligible, go to Step 3.

#### 2017 – 2018 Income Guidelines

Family Size of 2	\$90,132
Family Size of 3	\$113,331
Family Size of 4	\$136,530
Family Size of 5	\$159,729
For each additional, add	\$23,199

### STEP 3: COMPLETE STUDENT APPLICATION

1. Complete page 2 of this form (reverse side) for EACH of your children eligible for a scholarship.
2. Include the first two pages of the family’s most recent federal income tax return (Form 1040) or Form 1040EZ. Speak with your school’s leadership about accepted alternate proofs of income.
3. Return the completed application(s) and adjusted gross income documentation to the accredited Islamic school at which your child is accepted. DO NOT send the application directly to the OISF.
4. The school will evaluate the family financial needs in accordance with school policy. If the participating school deems the student eligible and appropriate, the school will endorse the application, include a recommended scholarship amount, and forward the application to the Oklahoma Islamic School Foundation office for approval and processing.
5. If there are available funds in the school account, and if the student meets all eligibility requirements established in the law, the OISF will prepare a scholarship check made out jointly to the parent and school – and will mail the check to the school.
