

New Student Admission Process

Peace Academy welcomes new student candidates to apply for admissions for the school year 2023-2024.

Admission Process:

1) Registration

To start the admissions process, the parent/guardian must submit the new student registration paperwork along with the registration fees and the documents listed below. Please note that all paperwork, fees and documents must be submitted at one time. Registration will not be accepted if any documents are missing.

2) Documents

The admissions committee requests the following:

- 2022-2023 Report Cards
- 2022-2023 Attendance Report
- 2022-2023 Behavior Record
- Birth Certificate
- **Up to date Immunizations Records** (including COVID-19 vaccinations).

3) Placement Test and Interview

After receiving the above documents, the admissions committee will contact you to set up an interview and Placement Test. The placement test fee is \$40/family, and is due at the time of registration.

4) Decision Timeline

The decision timeline does not begin until all documents requested by the admission's committee have been received.

Please note that most schools' administrative offices close for the summer at the beginning of June. Families are responsible for obtaining the most recent report cards/records from the previous school before they close for the summer break.
